ABOUT THE [AWARD WINNING]

SMPS SEATTLE REIGN AWARDS

SMPS Seattle's annual Reign Awards recognizes excellence in marketing communications and outstanding achievements of top marketing professionals. Project Awards will be granted to A/E/C firms whose materials and campaigns most compellingly achieve their firms' marketing goals. The individual merit awards recognize the exceptional accomplishments of individuals in our industry.

Submitting for the Reign Awards provides firms with an unparalleled opportunity for peer recognition and expert feedback. It is also an opportunity to celebrate the outstanding efforts made by local A/E/C firms and individuals who have a real passion for marketing and communications in our industry. Submittals are open to both member and nonmember firms and individuals.

This packet is for those who would like to submit a project entry in one of the Reign Awards categories.
